

Worcester County Public Schools Acceptable Use Policy (AUP) Grades Pre-K to 5

I will use the Internet responsibly. I will not give personal information over the Internet.

- ❖ This means that I will use the school's computers and Internet for school purposes only. I will not try to find information that is not a part of my classwork. If I find or receive information or pictures that I shouldn't see, I will tell an adult immediately. I will not send or receive e-mail without permission.

I will not use the computer to copy others' work.

- ❖ This means I will not take others' work from the computer and pretend it is my work. I will follow my teacher's directions for using information and pictures that I find on the Internet.

I will take care of all equipment.

- ❖ This means I will not damage the computer or any equipment associated with it. I will keep my data and passwords safe. I will not change any of the settings on the computer.

I will use our computers for classwork and school-related work only.

- ❖ This means that I will not play games that are not approved by my teacher.

Breaking the rules of the AUP will get me in trouble and I may lose the privilege to use the computers!
